

Curriculum Vitae

Shirin Towfigh, MD, FACS

A. PERSONAL HISTORY:

Name: Shirin Towfigh, MD
Business Address: 450 N Roxbury Drive #224
Beverly Hills, CA 90210
Phone: (310) 358-5020
Fax: (310) 358-5025
Email: drtowfigh@beverlyhillsherniacenter.com

B. EDUCATION:

High School: Diploma, 1985-88
Santa Monica High School
Santa Monica, CA

Undergraduate: Bachelor of Science, Biology, 1988-92
University of California, Los Angeles
Los Angeles, CA

Medical School: Doctor of Medicine, 1992-96
University of California, San Diego
La Jolla, CA

Residency: Intern, General Surgery, 1996-97
University of California, Los Angeles
Resident, General Surgery, 1997-98, 1999-2002
University of California, Los Angeles
Chief Resident, General Surgery (R-5), 2001-2002
University of California, Los Angeles

Fellowships: Research Fellow, Gastrointestinal Physiology, 1998-99
University of California, Los Angeles
School of Medicine
Los Angeles, CA
Faculty Teaching and Learning Fellowship, 2006-07
University of Southern California
Keck School of Medicine, Division of Medical Education
Los Angeles, CA
Educational Leadership Fellowship, 2007-08
University of Southern California
Keck School of Medicine Division of Medical Education
Los Angeles, CA

Licensure: California: #A064128
Exp. 11/30/2025

Board Certification: European Board of Surgery, Abdominal Wall Surgery, 11/2022
American Board of Surgery, #48287
07/01/2003, Exp. 07/01/2025

Misc Certificates: Fellow, American College of Surgeons
DaVinci Robot Console Basic Training Certificate, Intuitive Surgical
Good Clinical Practices for Clinical Research Professionals, DIA

Curriculum Vitae

Shirin Towfigh, MD, FACS

C. PROFESSIONAL POSITIONS:

Business:

CEO & Founder, 2014-
Hexagon Health, Inc.
Beverly Hills, CA
Board of Directors, 2015-
International Hernia Collaboration, Inc.
New York, NY
Board of Directors, 2014-16, 2018-
Precision Ambulatory Surgery Center
Beverly Hills, CA
President & Founder, 2013-
Beverly Hills Hernia Center
Beverly Hills, CA

Clinical:

Staff Attending Physician, 2008-
Cedars-Sinai Medical Center
Los Angeles, CA
Staff Physician, 2013-
Precision Ambulatory Surgery Center
Beverly Hills, CA
Staff Physician, 2013-
90210 Surgery Medical Center
Beverly Hills, CA
Staff Physician, 2023-
Huntington Hospital
Pasadena, CA
Staff Physician, 2014-15, 2023-
Providence Saint John Health Center
Santa Monica, CA
Attending Physician, 2002-08
Los Angeles County + USC Medical Center
Los Angeles, CA
Staff Physician, 2003-05
Kenneth Norris Comprehensive Cancer Hospital
Los Angeles, CA
Staff Physician, 2003-05
USC University Hospital
Los Angeles, CA

Institutional:

Voluntary Associate Professor of Clinical Surgery, 2023-
Associate Professor of Clinical Surgery, 2008-2023
Geffen School of Medicine at UCLA
Los Angeles, CA
Associate Professor of Surgery, 2008-13

Curriculum Vitae

Shirin Towfigh, MD, FACS

Cedars-Sinai Medical Center

Los Angeles, CA

Director, Advanced Laparoscopic Surgery Fellowship, 2008-12

Director, Medical Student Education, 2008-13

Education Director, Surgical Simulation Skills Center, 2008-12

Member, Minimally Invasive Surgical Technology Institute (MISTI),
2008-13

Member, Institutional Review Board, 2009-12

Adjunct Associate Professor of Engineering, 2008-11

Department of Biomedical Engineering

University of Southern California, Viterbi School of Engineering

Los Angeles, CA

Assistant Professor of Surgery, 2002-08

Department of Surgery

University of Southern California, Keck School of Medicine

Los Angeles, CA

Unit Chief, Team A

Emergency Surgery Service and Minimally Invasive Surgery Program

D. PROFESSIONAL ACTIVITIES:

Local Committee Service

Cedars-Sinai Medical Center:

Robotic Surgery Efficiency Committee, 2015-

Department of Surgery GME Committee, 2008-13

Clinical Champion, Surgical Site Prevention Project, 2010-12

Internal Review Board Member, 2009-11

Department of Surgery Representative, AHSP Skills Center Development Project, 2008-12

Department of Surgery Performance Improvement Committee, 2008-13

Geffen School of Medicine at UCLA:

Surgery Student Interest Group, Mentor/Teacher, 2023-

Women in Surgery Interest Group, Mentor, 2013-

Co-Director, Continuity Clerkship in Surgery, 2010-13

Advisory Board, College of Applied Anatomy, 2010-13

Well-Being Facilitator, 2008-13

Member, Surgical Education Committee, 2008-13

Site Director, Medical Student Surgery Clerkship, 2008-13

Founder, Women in Surgery seminars, 2001

Resident as Teacher Conference, 1999-2001

Intern Conference instructor, 2000-2002

Keck School of Medicine of the USC:

Director, Medical Student Surgery Clerkships, 2004-07

Surgery I general surgery clerkship

Curriculum Vitae

Shirin Towfigh, MD, FACS

Surgery II surgical subspecialties clerkship
4th year surgery and surgical subspecialties rotations
Surgical Infections Research Group
Director, 2005-08
Principal Investigator, 2002-08
Surgical Education Research Group, 2003-07
Salerni Collegium for USC KSOM Alumni
Secretary, 2006-07
Executive Board, 2006-07
Clinical Course Curriculum Committee, Year III/IV, 2004-07
Medical Faculty Assembly, 2003-04
Provost's Biomedical Imaging Sciences Initiative, 2005-08
USC Ambassador, 2004-08
Department of Surgery
Surgical Council, 2004-07
General Medical Education Committee, 2004-08
Appointments and Promotions Committee, 2003-08
QA Committee, 2002-08
Emergency Surgery Service Division Faculty Meetings, 2002-08
Department Faculty Meetings, 2002-08

Los Angeles County Department of Health Services:

Member-at-Large Representative, Medical Executive Council, 2006-08
Board Member, Association of Physicians of Los Angeles County Hospital (APLACH), 2005-08
Replacement Hospital Redesign:
Chair, Physician Advisory Committee, Clinician access, electronic medical records, 2005-08
Chair, Orthopedic Clinic Redesign Subcommittee, 2005-08
Co-Chair, Outpatient Surgery Redesign Subcommittee, 2006-08
Co-Chair, Peri-operative Redesign Committee, 2006-08
Co-Chair, Clinic Space Redesign Committee, 2006-08
Co-Chair, Outpatient Redesign Committee, 2005-08
Member, Employee Health Redesign Committee, 2007-08
Member, Peri-operative Redesign Committee, 2006-08
Member, Radiology Redesign Subcommittee, 2005-08
Member, Hospital Information Systems Redesign Subcommittee, 2005-08

National Committee Service

American Board of Surgery

Certifying Exam (Oral Boards) Hernia Consultants Committee, 2013-21
Certifying Exam (Oral Boards) Examiner, 2010, 2012

American College of Surgeons (ACS)

Member, Opioids and Surgery WorkGroup, 2017-19
Member, Accredited Education Institute Patient Education Committee, 2016-19
Governor-at-Large, Southern California, 2013-19
Member, Patient Education Committee, 2013-19

Curriculum Vitae

Shirin Towfigh, MD, FACS

Member, Accreditation Review Committee of Educational Institutes, 2009-13
Surveyor, Program for the Accreditation of Educational Institutes, 2005-13
Issues Committee, 2001-03

American College of Surgeons, Southern California Chapter (SCCACS)

President, 2015-16
President-Elect, 2014-15
Vice President, 2012-14
Board of Directors, 2009-12
General Surgery Program Chair, 2012
Program Chair, 2008-09
Associate Program Chair, 2007-08
Assistant Program Chair, 2006-07
Women in Surgery Representative, 2004-06
Young Surgeon Representative, 2003-04
Candidate and Associate Society representative, 2001-03

American Hernia Society (AHS)

Governor, 2006-12, 2016-19
Chair, Patient Advocacy Committee, 2015-21
Member, 2022-
Chair, Communications Committee, 2012-16
Advisory Council 2004-06

The Joint Commission, Center for Transforming Healthcare

Clinical Champion, Surgical Site Prevention Project, 2010-12

Society of American Gastrointestinal and Endoscopic Surgeons (SAGES)

Host, SAGES Stories podcast, 2022-
Communications Committee, 2011-13, 2020-
Community Practice Committee, 2020-
Community Practice, Business Acumen Subcommittee 2020-
Community Practice Task Force, 2019-2020
Hernia Task Force, 2011-21
Facebook Task Force, 2018-19
Video for Inguinal Intraoperative Decision Making Working Group, 2013-14
Publications Committee, 2014-19
Membership Committee, 2010-13
Educational Resources Committee, 2004-05, 2006-10
Fundamentals of Laparoscopic Surgery (FLS) Committee, 2002-03, 2004-05, 2006-10
Research Subcommittee, 2002-03

Association of Women Surgeons (AWS)

Academic Committee, 2004-13

Pacific Coast Surgical Association (PCSA)

Social Media Committee, 2016-

Western Surgical Association (WSA)

Chair, Local Arrangements, 2021-22
Information Technology Committee, 2016-19

Surgical Infections Society (SIS)

Education Committee, 2010-12

Curriculum Vitae

Shirin Towfigh, MD, FACS

Informatics Committee, 2006-10

Association for Academic Surgery (AAS)

Education Committee, 2007-09

Los Angeles Surgical Society (LASS)

President, 2012-13

Secretary/Treasurer, 2011-12

Program Chair, 2010-11

Academy of Persian-American Physicians (APP)

Chair, Nominations Committee, 2015-16

Annual Meeting Program Chair, 2010, 2011, 2012

Secretary, 2008-12

International Advisory Board

E. HONORS AND SPECIAL AWARDS:

Golden Apple for Outstanding Teaching, Cedars-Sinai Department of Surgery, 2023
Castle Connolly America's Top Doctors, 2013, 2015-24
Exceptional Women in Medicine, 2019-2023
On-Time Doctor, Vitals.com, 2015, 2018
Top 10 Doctor, Vitals.com, 2014-2015
Compassionate Doctor Recognition, Vitals.com, 2011-13, 2015, 2018
Patient's Choice, Vitals.com, 2011-12, 2014, 2018
Top 10 Doctor, Neighborhood, Vitals.com, 2014
Top 10 Doctor, City, Vitals.com, 2014
Circle of Friends, Cedars-Sinai Medical Center, 2010-18, 2021
Outpatient Redesign and Space Optimization of Replacement Facility, LA County Medical Center,
2009
Woman of the Year in Medicine, LA County Medical Center CARES, 2008
Excellence in Performance Award, LA County Medical Center, 2008
Passionate Performance Award, Medical Executive Council, LA County Medical Center, 2006
Faculty Appreciation Award, USC Student Surgical Interest Group, 2006
Passionate Performance Award, for service to LA County Hospital, 2005
C.J. Berne Award for Outstanding Resident Teaching, 2005
Outstanding Teacher to Medical Students, USC Department of Surgery, 2005
Outstanding Faculty Member of the Year, USC Student Surgical Interest Group, 2005
Kaiser Permanente Excellence in Teaching Award, 2004
Outstanding Required Clerkship, Keck School of Medicine, 2004, 2006, 2007
Outstanding Teaching in Year IV, USC Keck School of Medicine, 2004
Outstanding Teaching in Year III, USC Keck School of Medicine, 2003, 2007
Outstanding Teacher of the Year, USC Department of Surgery, 2003, 2005
Golden Apple Award for Outstanding Teaching, UCLA School of Medicine, 2002
Golden Scalpel Award in Recognition of Teaching Excellence, UCLA Department of Surgery, 2002
Resident Research Award, American College of Surgeons Southern California Chapter, 2000
Cardiothoracic Surgery Junior Resident of the Year, UCLA, 1998
UCSD School of Medicine Service Award, 1996
UCLA College Honors, 1992
Dean's Honors List, UCLA, 1988-92
UCLA Medical Center Auxiliary Volunteer Scholarship, 1992
UCLA Medical Center Interpreter Services Award, 1992
UCLA Medical Center Theodore T. Flesch Volunteer Scholarship, 1991
Outstanding Contribution to Honors Programs Book Award, UCLA, 1990, 1991, 1992
Mortar Board Senior Honor Society, 1990
Alpha Lambda Delta National Honors Society Local Chapter Scholarship, 1990

Curriculum Vitae

Shirin Towfigh, MD, FACS

F. RESEARCH GRANTS:

1. Non-opioid Herbal Formula for Postoperative Pain
Principal Investigator
Hexagon Health, Inc
IRB PSP KH 2-6-19
2019-22
2. Prospective, Multicenter post-market study to evaluate and compare the Clinical Outcomes, Pain and Patient Quality of Life after Open, Laparoscopic or Robotic Assisted Hernia (Incisional and Inguinal) Repair
Principal Investigator
Intuitive Surgical, Inc
IRB Pro00043287
2016-19
3. A Prospective, Multi-Center All Comers Study of a Novel Resorbable Mesh (Phasix™ Mesh) for Ventral or Incisional Hernia Repair
Principal Investigator
Bard/Davol, Inc
IRB Pro00034803
2015-17
4. Phase III, Randomized, Multicenter, Double-Blind, Double-Dummy, Parallel-Group, Comparative Study to Determine the Efficacy, Safety, and Tolerability of Ceftazidime Avibactam (CAZ104) Plus Metronidazole Versus Meropenem in the Treatment of Complicated Intra-Abdominal Infections (cIAIs) in Hospitalized Adults
Principal Investigator
Astra Zeneca
IRB Pro00027523
2012-13
5. A Phase 2, randomized, double-blind, placebo-controlled, dose-ranging study to assess the safety and efficacy of VP 20621 for prevention of recurrence of Clostridium difficile infection (CDI) in adults previously treated for CDI.
Co-Investigator
ViroPharma Incorporated
IRB Pro00025466
2012-13
6. The effect of SAGES patient information brochures on patient satisfaction: a prospective multi-institutional study
Co-Investigator
SAGES Research Grant
IRB Pro00020293
2009-13
7. An adaptive design, randomized, double-blind, multicenter study to evaluate the safety and efficacy of CEM-102 compared to linezolid in the treatment of acute bacterial skin structure infection.
Principal Investigator
Cem-102 Pharmaceuticals
IRB Pro00019721

Curriculum Vitae

Shirin Towfigh, MD, FACS

2009-10

8. Incisional hernia repair in multiply morbid patients (RaM2P): A multi-center, prospective, randomized, controlled, single blinded study of Strattice™ Reconstructive Tissue Matrix vs Proceed™

Principal Investigator

Lifecell, Corp.

IRB Pro00019756

2009-10

9. A prospective, multicenter, double-blind, randomized, comparative study to estimate the safety, tolerability and efficacy of NXL104/ceftazidime plus metronidazole vs. meropenem in the treatment of complicated intra-abdominal infections in hospitalized adults

Principal Investigator

Novoxel SA

IRB Pro00017778

2009-10

10. A randomized, open-label, efficacy and safety study of Octaplex and fresh frozen plasma in patients under Vitamin K antagonist therapy with the need for urgent surgery or invasive procedures

Principal Investigator

OctaPharma USA

IRB Pro00017884

2009-10

11. A randomized, double-blind multi-center dose-ranging study of the efficacy and safety of pregabalin compared to placebo in the adjunctive treatment of post-surgical pain after primary inguinal hernia repair
Principal Investigator

Pfizer

IRB Pro00018315

2009

12. Use of Ultrasound for Image-Guided Surgery

Co-Investigator

James H. Zumberge Research and Innovation Fund Interdisciplinary Grant

IRB Exempt

2007-09

13. Evaluation of wound probing to reduce wound infection in contaminated wounds: a randomized prospective trial

Principal Investigator

James H. Zumberge Research and Innovation Fund Individual Grant

IRB# HS-06-00414

2007-09

14. A Multinational, Multi-center, Double-blind, Randomized, Parallel Group Study to Compare the Safety and Efficacy of 200 mg PAR-101 Taken q12h with 125 mg Vancomycin Taken q6h for Ten Days in Subjects with Clostridium Difficile-associated Diarrhea. (Protocol 101.1.C.003; Phase2B/3)

Principal Investigator

Optimer Pharmaceuticals, Inc.

IRB# HS-07-00169

2007-08

15. A Phase 3, Multicenter, Randomized, Double-Blind, Comparative Study to Evaluate the Safety and Efficacy of Ceftaroline Versus Vancomycin plus Aztreonam in Adult Subjects with Complicated Skin and Skin

Curriculum Vitae

Shirin Towfigh, MD, FACS

Structure Infection. Protocol # P903-07

Principal Investigator

Cerexa, Inc.

IRB# HS-07-00032

2007-08

16. Mentoring-in-Surgery Initiative

Principal Investigator

USC Mellon Foundation Grant

2006-07

17. Evaluation of BAL as a Substudy to Protocols 0015 and 0019: Phase 3, Randomized, Doubleblind, Parallel-group, Multinational Trials of Intravenous Televancin Versus Vancomycin for Treatment of Hospital-Acquired Pneumonia with a Focus on Patients with Infections Due to Methicillin-resistant Staphylococcus aureus.

Principal Investigator

Theravance, Inc.

IRB# APP-07-00084

2007

18. A Phase 2, Randomized, Double-Blind, Study of Intravenous TD-1792 Versus Vancomycin for Treatment of Complicated Gram-positive Skin and Skin Structure Infections

Principal Investigator

Theravance, Inc.

IRB# HS-07-00031

2007

19. A Phase 3, Randomized, Double-Blind Study of Ceftobiprole Medocaril Versus Linezolid Plus Ceftazidime in the Treatment of Nosocomial Pneumonia (Protocol BAP00248)

Principal Investigator

Johnson & Johnson Pharmaceuticals Research Division

IRB# HS-06-00133

2006-07

20. A Multicenter, Open-Label, Randomized Comparative Study of Tigecycline vs Ceftriaxone Sodium Plus Metronidazole for the Treatment of Hospitalized Subject with Complicated Intra-abdominal Infection.

Principal Investigator

Wyeth Pharmaceuticals, Inc.

IRB# HS-05-00148

2005-07

21. A Phase 3, Randomized, Double-Blind, Parallel-Group, Multinational Trial of Intravenous Televancin Versus Vancomycin for Treatment of Hospital-Acquired Pneumonia with a Focus on Patients with Infections Due to Methicillin-Resistant Staphylococcus aureus

Principal Investigator

Theravance, Inc.

IRB# HS-05-00032

2005-07

22. A Randomized, Double-Blind Study of GT267-004 Versus Vancomycin, and GT267-004 Versus Metronidazole, in Patients with C. difficile-Associated Diarrhea

Principal Investigator

Genzyme Corp.

Curriculum Vitae

Shirin Towfigh, MD, FACS

IRB# HS-05-00057

2005-2007

23. A Phase 3, Randomized, Double-Blind Trial of Intravenous Telavancin Versus Vancomycin for Treatment of Complicated Skin and Skin Structure Infections with a Focus on Patients with Infections Due to Methicillin-Resistant Staphylococcus aureus.

Principal Investigator

Theravance, Inc.

IRB# HS-04C009

2005-06

24. A Phase 3, Multi-center, Randomized, Evaluation Committee-Blinded Study to Assess the Efficacy of Topical Administration of Omiganan 1.0 % Gel in Preventing Local Catheter Site Infections and Catheter Colonization in Patients Undergoing Central Venous Catheterization.

Principal Investigator

Cadence, Inc.

IRB# HS-05-00226

2005

25. A Prospective, Randomized, Controlled, Multi-center Clinical Trial of MedLogic Surgical Skin Sealant and the Prevention of Surgical Wound Contamination

Principal Investigator

Kimberly-Clark

IRB# HS-05-00155

2005

26. A Prospective, Multicenter, Randomized, Open-Label, Comparative Study to Evaluate the Safety, Tolerability and Efficacy of Ertapenem Sodium (MK-0826) versus Ticarillin/Clavulanate in the Treatment of Complicated Intra-Abdominal Infections in Pediatric Patients.

Sub-Investigator

Merck Pharmaceuticals, Inc.

IRB #022020

2003-04

27. A Multicenter, Double-Blind, Randomized Comparison Study of the Efficacy and Safety of Tigecycline to Imepenem/Cilastatin to Treat Complicated Intra-Abdominal Infections in Hospitalized Subjects

Sub-Investigator

Wyeth Pharmaceuticals, Inc.

IRB #02A026

2003-05

28. A Multicenter, Open-Label Randomized Study to Compare the Safety and Efficacy of Once Daily Levofloxacin Along with Once Daily Metronidazole versus Piperacillin/Tazobactam in the Treatment of Complicated Appendicitis.

Sub-Investigator

Ortho-McNeil Pharmaceuticals

IRB #038020

2003-04

29. A Prospective, Multicenter, Double-Blind, In-House Blinding, Randomized, Comparative Study to Evaluate the Efficacy, Safety, and Tolerability of Ertapenem Sodium versus Piperacillin/Tazobactam in the Treatment of Complicated Intra-Abdominal Infections in Hospitalized Adults

Sub-Investigator

Curriculum Vitae

Shirin Towfigh, MD, FACS

Merck Pharmaceuticals, Inc.

IRB # 019018

2002-04

30. IB98-9 Timing of premenopausal breast cancer surgery, menstrual cycle and prognosis.

Co-Investigator

IRB #991016

2002-04

31. A Phase III, randomized, double-blinded, comparative study of Micafungin versus placebo in the preemptive prophylactic antifungal therapy in patients in the intensive care unit.

Sub-Investigator

IRB approved #02B008

2001-04

G. LECTURES AND PRESENTATIONS:

Invited Lectures/Panels:

1. Is our management of gallstone disease evidence-based? Grand Rounds, USC Department of Surgery, Los Angeles, CA. December 14, 2002.
2. What do young faculty want? Postgraduate Course 32: Career Development. 89th Annual Clinical Congress, American College of Surgeons, Chicago, IL. Oct 22, 2003.
3. New developments in the use of glues in mesh hernia repairs. 4th Annual Conference American Hernia Society, Orlando FL. Feb 27, 2003.
4. Laparoscopic Common Bile Duct Exploration: Technical Details and Complications. IRCAD/EITS Intensive Course in Laparoscopic Surgery. Strasbourg, France. May 4, 2004.
5. Laparoscopic Management of Common Bile Duct Stones: Indications, Technique, and Complications. Grand Rounds, USC Division of Gastroenterology, Department of Medicine, Los Angeles, CA. Jan 7, 2005.
6. Should we be doing laparoscopic appendectomies? Grand Rounds, USC Department of Surgery, Los Angeles, CA. Jul 8, 2005.
7. Surgical infections update 2006. Grand Rounds, USC Department of Surgery, Los Angeles, CA. Feb 3, 2006.
8. Show me the Money: Negotiation Skills Workshop. Association for Surgical Education, Tucson, Arizona. Mar 24, 2006.
9. Simulation in Surgery. Department of Biomedical Engineering, USC Viterbi School of Engineering. Mar 20, 2006.
10. Biologic Materials as Alternatives to Mesh Repair. Northern California Chapter of American College of Surgeons, San Francisco, CA, May 6, 2006.
11. Interventional Imaging. Biomedical Imaging Sciences Initiative Retreat. USC Provost's Office. Jun 13, 2006.
12. Simulation in Surgery. W.V.T. Rusch Engineering Honors Colloquium, USC Viterbi School of Engineering. Sept 8, 2006.
13. Simulation in Surgery: Past, Present, and Future. Associated Students of Biomedical Engineering, USC Viterbi School of Engineering. Sept 21, 2006.
14. Women in Male-Dominated Specialties. American Medical Women's Association, USC Chapter, Oct 18, 2006.
15. Acute Hernia Surgery: Modern Options for Repair of the Hernia. Southern California Chapter of the

Curriculum Vitae

Shirin Towfigh, MD, FACS

- American College of Surgeons, Santa Barbara, CA, Jan 20, 2007.
16. Modern Day Management of Inguinal Hernias: Should You Refer Everyone for Surgery? 12th Annual Scientific and Cultural Meeting of the Academy of Persian Physicians, Palm Springs, CA. Oct 21, 2007.
 17. Management of Ventral Hernias: What's New? Grand Rounds, Harbor-UCLA Department of Surgery, Torrance, CA. Jan 30, 2008.
 18. Bowel Injury from Composix Kugel Hernia Patch. American Hernia Society Hernia Update 2008, Scottsdale, AZ, Mar 13, 2008.
 19. Biologic Meshes: Types, Costs, Advantages, Disadvantages. American Hernia Society Hernia Update 2008, Scottsdale, AZ, Mar 13, 2008.
 20. How to Find a Job/Fellowship after Residency. Career Development Seminar for Women in Surgery. Seattle, WA, Sept 26, 2008.
 21. How to Set Up a Mentoring System. Career Development Seminar for Women in Surgery. Seattle, WA, Sept 26, 2008.
 22. Is Laparoscopic Surgery Always Better than Open? 13th Annual Scientific and Cultural Meeting of the Academy of Persian Physicians, Santa Barbara, CA, Oct 11, 2008.
 23. Hernias: Incarcerated, Strangulated, and Just Plain Gnarly. Los Angeles Surgical Society Acute Care Surgery Symposium, Los Angeles, CA, Nov 15, 2008.
 24. Certification of Surgeons' Skills: Where Are We Now? Grand Rounds, Department of Obstetrics and Gynecology, Cedars-Sinai Medical Center, Nov 19, 2008.
 25. How to be an Effective Mentor. Chief Resident Leadership Retreat, Department of Surgery, Cedars-Sinai Medical Center, Nov 24, 2008.
 26. Hernia Problems You Wished Were Referred Elsewhere. Joint SAGES/American Hernia Society Discussion Panel, Co-Chair. Society of American Gastrointestinal and Endoscopic Surgeons 2009 Surgical Spring Week, Phoenix, AZ, Apr 24, 2009.
 27. Hernia Scientific Session, Co-Moderator. Society of American Gastrointestinal and Endoscopic Surgeons 2009 Surgical Spring Week, Phoenix, AZ, Apr 25, 2009.

36. Physician Representation on Social Media: A Boon for Females and Surgeons? N Fadaee, Z Khanmohammed, **S Towfigh.** Western Surgical Association, Indian Wells, CA. Nov 7, 2021.
37. Incisional Hernia Repair with Mesh Re-imagined: Pilot Study Using Abdominoplasty as Permanent Autologous Biological Reinforcement in Hernia Repair. R Tung, N Fadaee, R Rahban, **S Towfigh.** 44th Annual International Congress of European Hernia Society. Manchester, UK. Oct 18-22, 2022.
38. Trends in Inguinal Hernia Repair: A Tailored Approach. Z Khanmohammed, N Fadaee. D Huynh, I Capati, R Tung, **S Towfigh.** 44th Annual International Congress of European Hernia Society. Manchester, UK. Oct 18-22, 2022.
39. Traditional Chinese Medicine Supplement Reduces Pain Faster and More than Conventional Pain Pills Alone. K Hart, DTK Huynh, C Oh, C Herndon, N Fadaee, I Capati, P Turek, **S Towfigh.** Annual Scientific Meeting of the Southern California Chapter, American College of Surgeons. Jan 19, 2023.
40. Sex-Based Differences in Inguinal Hernia Development. S Pivo, D Huynh, C Oh, **S Towfigh.** Society of American Gastrointestinal and Endoscopic Surgeons, Montreal, Canada. Mar 30, 2023.
41. Hidden Hernias Hurt: A plea for early diagnosis and treatment of occult inguinal hernias. H Wong, C Oh, **S Towfigh.** Society of American Gastrointestinal and Endoscopic Surgeons. Cleveland, OH. April 18, 2024.

Poster/Mini-Oral/Video presentations:

1. Peptide YY and vitamin E inhibit hormone-sensitive and -insensitive breast cells. T Heisler, **S Towfigh,** N Simon, DW McFadden. Association for Academic Surgery, Philadelphia, Pennsylvania, Nov 18-20, 1999.
2. Peptide YY augments the inhibitory effects of alpha-tocopherol succinate on prostate cancer cell growth. AT Rose, T Heisler, **S Towfigh,** N Simon, DW McFadden. 101st Annual Meeting of the American Gastroenterological Association and the Digestive Disease Week. San Diego, California, May 21-24, 2000.
3. Peptide YY exhibits mitogenic effect on pancreatic acinar cells while improving acute pancreatitis. K Kazanjian, **S Towfigh,** DW McFadden. 101st Annual Meeting of the American Gastroenterological Association and the Digestive Disease Week. San Diego, California, May 21-24, 2000.
4. N-Acetylcysteine blocks gut-liver axis in vitro independent of endotoxin. **S Towfigh,** OJ Hines, T Heisler, J Chu, DW McFadden, C Chandler. 101st Annual Meeting of the American Gastroenterological Association and the Digestive Disease Week. San Diego, California, May 21-24, 2000.
5. Peptide YY does not affect cell cycle while improving pancreatitis and increasing pancreatic duct cell growth. **S Towfigh,** T Heisler, N Simon, DW McFadden. 101st Annual Meeting of the American Gastroenterological Association and the Digestive Disease Week. San Diego, California, USA May 21-24, 2000.
6. Allograft tissue provides definitive cure for patients with complicated infected recurrent hernias. **S Towfigh.** 26th International Congress of the European Hernia Society, Prague, Czech Republic, Apr 29-May 1, 2004.
7. When all else fails, use of human cadaveric allograft can cure patients with highly infected hernias. **S Towfigh,** TV Berne. Pacific Coast Surgical Association, Dana Point, CA, Feb 20, 2005.
8. A surgical skills lab elective can improve senior medical student confidence prior to surgical internship. SE Peyre, ME Sullivan, CG Peyre, **S Towfigh.** Association for Academic Surgery, San Diego, CA, Feb 8, 2006.

Curriculum Vitae

Shirin Towfigh, MD, FACS

9. Hyperbilirubinemia in appendicitis: a new predictor of perforation. J Estrada, R Mason, M Petrosyan, **S Towfigh**, H Sohn, TV Berne. Society for Surgery of the Alimentary Tract, Los Angeles, CA, May 23, 2006. [Poster of Distinction oral presentation]
10. Bacteriology of breast abscesses in the era of methicillin-resistant Staphylococcus aureus. A Moazzez, R Kelso, **S Towfigh**, H Sohn, T Berne, R Mason. Pacific Coast Surgical Association, Hilo, HI. Feb 18, 2007.
11. Obesity should not affect management of appendicitis. **S Towfigh**, F Chen, N Katkhouda, R Kelso, H Sohn, T Berne, R Mason. Pacific Coast Surgical Association, Hilo, HI. Feb 18, 2007.
12. Psoas abscess rarely requires surgical intervention. WN Yacoub, HJ Sohn, S Chan, M Petrosyan, HM Vermaire, RL Kelso, **S Towfigh**, RJ Mason. Southwestern Surgical Congress, Rancho Mirage, CA. Mar 26, 2007. [Poster of Distinction]
13. What do women think? Perspectives of women surgeons. JO Chan, **S Towfigh**, RL Kelso, JA Freischlag. Association of Women Surgeons Annual Meeting, New Orleans, LA. Oct 7, 2007.
14. Medical student skills needs assessment: Implications for a skills curriculum. **S Towfigh**, R Javrija. AAMC, Washington, DC. Nov 5, 2007.
15. Needs assessment for improving surgical resident communication with patients and their family in the immediate post-operative period. **S Towfigh**. Innovations in Medical Education, Los Angeles, CA. Mar 9, 2008.
16. Ultrasound-based aortic navigation system: preliminary data. J Mung, S Han, D Fullerton, A Bond, B Liu, **S Towfigh**, F Weaver, J Yen. Stanford Abdominal Aortic Aneurysms Summit. Stanford, CA. Sept 4, 2008.
17. Efficacy of tigecycline versus ceftriaxone and metronidazole for complicated intra-abdominal infections: Americas study 400. **S Towfigh**, J. Pasternak, A. Poirier, H. Leister, T. Babinchak on behalf of the 400 Study Group. 19th European Congress of Clinical Microbiology and Infectious Diseases, Helsinki, Finland. May 16, 2009.
18. Daily Probing of Contaminated Wounds Significantly Reduces Wound Infections. **S Towfigh**, T Clarke, W Yacoub, AH Pooli, R Mason, N Katkhouda, T Berne. Pacific Coast Surgical Association, Maui, Hawaii. Feb 14, 2010.
19. Laparoscopic Retroperitoneal Triple Neurectomy: A New Technique for Post-Herniorrhaphy Neuralgia. D Santos, **S Towfigh**. Annual Meeting of the Society of American Gastrointestinal and Endoscopic Surgeons, Landover, Maryland. April 14-17, 2010.
20. Retroperitoneal anatomy: Implications for inguinodynia. A Mannan, A Walker, E Stark, **S Towfigh**. Josiah Brown Poster Fair, David Geffen School of Medicine at UCLA, Los Angeles, CA. Jul 27, 2010.
21. Defining "complex abdominal wall hernia": Consensus of a global panel of hernia repair experts. J Conze, H VanGoor, **S Towfigh**. International Congress of European Hernia Society, Istanbul, Turkey, Oct 6-9, 2010.
22. Retroperitoneal anatomy: implications for inguinodynia. A Mannan, A Walker, E Stark, **S Towfigh**. Association for Academic Surgery, Huntington Beach, CA, Feb 3, 2011.
23. Role of imaging in diagnosis of hidden hernias. J Miller, M Michael, R Saouaf, **S Towfigh**. Pacific Coast Surgical Association, Dana Point, CA. Feb 14-17, 2014.
24. Beyond recurrence: Recognizing the pathologies of the postoperative groin. J Miller, **S Towfigh**, R Saouaf. 100th Scientific Assembly and Annual Meeting of the Radiological Society of North America. Chicago, IL. Nov 30-December 5, 2014. [Cum laude award]
25. Ankylosing spondylitis as a rare presentation of groin pain. E Zarrinkhoo, J Miller, A Walker, M Weisman, **S Towfigh**. 1st World Congress on Abdominal Wall Surgery. Milan, Italy. Apr 25-29, 2015.
26. Inguinal hernia as a cause of chronic pelvic pain: A key sign to make the diagnosis. CA Saad, DS Kim, **S Towfigh**, MJ Solnik. The Annual Clinical and Scientific Meeting of the American Congress of Obstetrics and Gynecology. San Francisco, CA. May 2-6, 2015.

Curriculum Vitae

Shirin Towfigh, MD, FACS

27. Robotic spermatic cord lysis for treatment of postoperative chronic testicular pain after laparoscopic TEP inguinal hernia repair with mesh [Video]. E Zarrinkhoo, **S Towfigh**, D Josephson. Annual Meeting of the Society of American Gastrointestinal and Endoscopic Surgeons. Nashville, TN. Apr 15-18, 2015.
28. Risks of Laparoscopic versus robotic-assisted mesh removal after inguinal hernia repair. E Zarrinkhoo, **S Towfigh**. Annual Meeting of the Society of American Gastrointestinal and Endoscopic Surgeons. Boston, MA. Mar 16-19, 2016.
29. Robotic-assisted abdomino-inguinoplasty to treat groin pain in patient with Ehlers-Danlos syndrome [Video]. E Zarrinkhoo, **S Towfigh**. 17th Annual Hernia Repair, Americas Hernia Society. Washington, DC. Mar 30-Apr 2, 2016.
30. Early experience with implantation of a novel reinforced bioscaffold: Potential benefits in patients at risk for chronic pain. E Zarrinkhoo, S Ferzoco, P Szotek, **S Towfigh**. 17th Annual Hernia Repair, Americas Hernia Society. Washington, DC. Mar 30-Apr 2, 2016.
31. Occult inguinal hernias can cause chronic pelvic pain. **S Towfigh**, E Zarrinkhoo. International Pelvic Pain Society. Chicago, IL. Oct 14, 2016.
32. Laparoscopic non-mesh alternative for inguinal hernia repair [Video]. Y Shafik, **S Towfigh**. Western Surgical Association. Coronado, CA. Nov 7, 2016.
33. Minimally invasive non-mesh alternative for inguinal hernia repair: A Phase I trial. Y Shafik, **S Towfigh**. 18th Annual Hernia Repair, Americas Hernia Society. Cancún, Mexico. Mar 8-11, 2017.
34. Robotic Rectus Diastasis Closure & Umbilical Hernia Repair [Video]. R Dbeis, **S Towfigh**. Society of American Gastrointestinal and Endoscopic Surgeons. Houston, TX. Mar 24, 2017.
35. Long-term outcomes of Phase I trial for robotic iliopubic tract (r-IPT) repair. D Huynh, B Al-aufey, **S Towfigh**. International Hernia Congress. Miami, FL. Mar 14, 2018. [Poster of Distinction]
36. Use of Firefly technology to assist in robotic inguinal mesh removal in males [Video]. D Huynh, D Josephson, **S Towfigh**. International Hernia Congress. Miami, FL. Mar 12-15, 2018.
37. Step by step guide to a safe extraperitoneal mesh removal [Video]. A Truong, B Al-Aufey, **S Towfigh**. Society of American Gastrointestinal and Endoscopic Surgeons. Seattle, WA. Apr 11, 2018.
38. Patients with Systemic Reaction to Their Mesh: Real People with Real Problems. N Fadaee, R Sharma, L Mazer, **S Towfigh**. American Hernia Society Annual Meeting. Mar 12, 2019. [Poster of Distinction]
39. Flank Incisional Hernia After Lateral Approach Spine Operations: Presentation and Outcomes After Repair. N Fadaee, E Zarrinkhoo, K Assani, **S Towfigh**. Society of American Gastrointestinal and Endoscopic Surgeons. Baltimore, MD. Apr 2-6, 2019.
40. Novel Surgical Approach for Chronic Pelvic Pain in Patients with Ehlers-Danlos Syndrome [Video]. D Huynh, N Fadaee, **S Towfigh**. European Hernia Society, Hamburg, Germany. Sept 14, 2019.
41. Robotic Assisted Repair of Sciatic Notch Hernia [Video]. D Huynh, **S Towfigh**. Society of American Gastrointestinal and Endoscopic Surgeons. Cleveland, OH. Virtual. Aug 11, 2020.
42. Choice of Hernia Mesh for Patients at Higher than Average Risk for Mesh-related Complications. D Huynh, M Diller, N Fadaee, I Capati, **S Towfigh**. Americas Hernia Society. Virtual. Sept 25-26, 2020
43. Early Experience with Mesh Allergy Testing. N Fadaee, D Huynh, I Capati, **S Towfigh**. Americas Hernia Society. Virtual. Sept 25-26, 2020.
44. Minimally Invasive Reduction and Primary Repair of Left-sided Paraduodenal Hernia. DT Huynh, ML Diller, **S Towfigh**. Sept 1, 2021.
45. Short Term Outcomes After Use of Absorbable Mesh. N Fadaee, Z Khanmohammed, R Tung, D Huyng, **S Towfigh**. Americas Hernia Society. Austin, Texas. Sept 22-25, 2021.
46. Modern Mesh Use: Is it Still Standard of Care Still Standard? N Fadaee, Z Khanmohammed, R Tung, D Huyng, **S Towfigh**. Americas Hernia Society. Austin, Texas. Sept 22-25, 2021.
47. Mesh Use in the United States: Mesh Types and their Indications. N Fadaee, Z Khanmohammed, **S**

I. PATENTS GRANTED:

U.S. Issued Patents:

1. U.S. Patent No. 10,433,943 (HEX-001WOC1; Female Onlay Mesh)
2. U.S. Patent No. 11,324,579 (HEX-001WOC2; Neutral Inguinal Hernia Repair Method)

Curriculum Vitae

Shirin Towfigh, MD, FACS

3. U.S. Patent No. 11,207,169 (HEX-001WOC5; Neutral Sublay Inguinal Repair Method)
4. U.S. Patent No. 11,219,516 (HEX-001WOC6; Neutral Sublay Inguinal Mesh)

Foreign Granted / Allowed Patent Applications:

1. Singapore Granted Patent SG 11201707850 (Female Sublay Mesh)
2. China Allowed Application CN 2019103351290 (Female Sublay Mesh)
3. China Allowed Application CN 2019112384876 (Onlay Inguinal Mesh)
